Q.19. Which of the two following statements do you most agree with?

Health care reform should be based on the current private insurance market. If we let the market do its job, companies will compete for customers and that will control costs and quality. People who don't have health coverage now should get tax incentives to help them pay for insurance.

	<u>Total</u>	<u>Indiana</u>
Health care reform should control costs and ensure everyone gets health care at least as good as what they have now. It should let people choose their own doctor and establish government as a watchdog on quality and costs.	13	11
